## About UEN

The Urban Education Network of Iowa (UEN) is a consortium of school districts in Iowa with two high schools or urban tendencies. The UEN enrolls over 43% of Iowa's total public school enrollment. Although the UEN was formed to represent the unique characteristics of Iowa's more urban districts, most UEN initiatives also address issues related to all of Iowa public schools.

Maintaining partnerships is vitally important to the mission of the UEN. These partnerships include, but are not limited to: School Administrators of Iowa, Iowa Association of School Boards, Iowa State Education Association, Iowa PTA, Rural School Advocates of Iowa and Common Good Iowa. The UEN also appreciates the American Association of School Administrators, National School Boards Association and the Urban Superintendents Association of America. Iowa School Finance Information Services, provides administrative and public policy research support to the UEN.
